

# Getting to our Business School during campus upgrades

Our Library and Cambridge Halls of Residence are currently undergoing redevelopment, which means access to the Business School has temporarily changed:

Pedestrian access to the Business School will now be via All Saints Park or Boundary Street West.

**This small change actually offers a much more enjoyable route:** All Saints Park has recently been pedestrianised and beautifully landscaped, creating a safer and greener environment for everyone.

**Taxi visitors:** The easiest drop-off point is **Boundary St West, M15 6LS** for Ubers, and **All Saints Park for cabs** (as they're allowed on Oxford Road during the day).

**Exhibitor drop off:** Items can still be delivered to the Business School loading bay via Lower Chatham Street. Please approach the barrier and advise that you are making a delivery to the Business School.
